Dear Mr. Jaffe:

I am writing to let you know
that I support the petition
(docket 98P-0203/CP) to ~~XXXXXX~~
~~XXXXXX~~ ban the forced molting
of layer hens.

This is extreme cruelty and has
been banned in Great Britain
in 1987. Are we not as humane
as that country?

I ask you to please ban this
kind of cruelty. Don't these
creatures suffer enough in their
short lives?

Thank you for your kindness
and caring.

Sincerely,

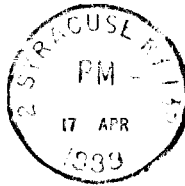

Eve Barenholtz
